Make the change to a career that cares.  
Become a nurse with Avila University's  
ABSN program.

Apply Today →

## WHEN CAN I START?

Our upcoming fall term starts in August. Get your application in before the final deadline on July 15 to reserve your spot.

## HOW LONG WILL IT TAKE?

Our Accelerated Bachelor of Science in Nursing program can be completed in as few as 16 months of full-time study, including 60 hours of labs and 585 hours of simulation and direct clinical experience.

## DO I QUALIFY?

In order to qualify for the program, you need 59 transferable credits with at least a 2.8 GPA. Additionally, prerequisites are required before you can start classes. Visit our [admissions page](#) for the full list of requirements.

### Have additional questions?
